Detail of exposed sash chain and sash limit device.

Aluminum Clad True Divided Lite (TDL) Grille Bars

Door style "walk-out" anodized aluminum sill.

Exterior View

Parrett aluminum clad triple hung windows offer the unrivaled ability to open up any occupied space while providing the high quality construction that Parrett is renowned for.

Full sash travel allows this unit to function as a "walk-through" to areas such as a porch or patio. Triple hung windows are designed to perfectly integrate with Parrett's Non-Magnum and Magnum hung window product lines and are also available in all-wood construction.

Parrett's experienced sales staff will assist you with specifying non-magnum or magnum configuration based on the frame size and specifications of your specific request.

Like all of our windows & doors, our triple hung windows are available in any lumber species. Complete factory finishing including painting and staining is also available.

Please visit www.parrettwindows.com or contact us to learn more about all of the other options available from Parrett.

Full Sash Travel

As seen in this **all-wood**, douglas fir triple hung, all sashes can fully travel, allowing the benefit of multiple ventilation options.

Pocket Configuration

Pocket systems allow all three sashes to be fully concealed above the visible window frame (*shaded portion is concealed*).

DURABILITY, TRUE QUALITY, AND SIMPLY BEAUTIFUL EXPERIENCE THE DIFFERENCE!
