RADIUS TOP CARVED SWING DOOR

DOOR SHOWCASE VOL. 1

Hardware Specifications

Rocky Mountain hand casted bronze hardware was chosen to match the desired aesthetics of the homeowner.

Parrett equipped this door with four (4) heavy-duty adjustable hinges, These hinges allow for easy adjustment of the installed door sash as needed for possible seasonal variation. They also adequately support the weight of the 2-1/4" thick sash.

DURABILITY, TRUE QUALITY, & SIMPLY BEAUTIFUL EXPERIENCE THE DIFFERENCE!
